## Message from Redfield's Senior Leadership Team

Dear Parents/Carers

As we approach the summer break, we wanted to take a moment to reflect on the past year at Redfield Educate Together.

It has been a particularly turbulent year at RET, with lots of changes taking place. The resilience and adaptability shown by pupils, staff, and parents/carers during this time have been truly commendable, and we want to express our gratitude for your continued support throughout the year, especially regarding the changes we've all had to navigate together.

We encourage you all to take some time to relax and unwind over summer break. Maybe you will be going on holiday, exploring the outdoors, or simply enjoying some downtime at home. We hope you have a safe and relaxing break.

We look forward to seeing you all back at school on Wednesday 4<sup>th</sup> September.

Have a wonderful summer!

The RET Team

# Additional Staff Training

Following the practice of our other Educate Together schools, RET will be closing at 1:15pm on Thursday 19th December to allow our staff the time for essential training. Therefore, it is important that all children are collected at 1:15pm.

On this day, there will be no after school childcare provision available, so it is crucial that arrangements are made for your child to be collected at the earlier time of 1:15pm.

We appreciate your cooperation in this matter as it is important for the continued professional development of our staff.

## Parent survey

A reminder to complete this before the end of the academic year. Thank you for those who have completed the form below. Please take the time to complete this as we are wanting to develop our links with our parent/carer community. From our community this year we have had poets, reading volunteers, family to help plan Eid celebrations and swimming volunteers.

We would love to expand this as we move forward into next year. So, if you have any specific skills you would like to share/volunteer your time with or if you would like to offer some time to help read with children. Please fill in the form below by clicking the link or by scanning the QR code below. We will be in touch at the start of September with everyone that has filled in the form or spoken to a member of staff regarding this.

# FORET update

The Changemakers have been busy helping FORET design a much needed calm space in our playground. The area will become our Sensory Garden, a place for children to sit and relax during their breaktimes. FORET have been busy raising money for our playground and there are lots of exciting plans for the new academic year!

The 24/25 academic year marks 10 years of Redfield Educate Together! On Friday 20<sup>th</sup> September we will be celebrating in school with class parties and FORET have kindly offered to fund a small gift for each child. We will send a reminder in September asking for contributions to the party (food, plates, napkins etc). There will also be some exciting playground developments, in collaboration with FORET, throughout the year to celebrate the occasion.

## Year 6 Residential

Year 6 this term went to the Brecon Beacons for their residential trip. They had a great time taking part in lots of activities. Abseiling, rock climbing and kayaking were highlights. The children were able to develop their independence and responsibilities so much during their time away and we are really proud of their achievements.

# Eid celebrations

Earlier this term we had an incredible Eid Celebration event. It was great to see so many of our community involved and attending. Sharing food, games and henna. This would not be been made possible if not for our amazing parent/carer volunteers who raised lots of money for the event and came armed with enough food to feed all the children and parents too. Thank you so much for your support and help with setting this up.
