

COMMUNITY COMPASSION COURAGE CURIOSITY

## Message from Redfield's Senior Leadership Team

Dear parents and carers,

We have had another busy week at Redfield. Our KS2 had a visit from an orchestra on Wednesday afternoon. The children loved hearing a range of different instruments they haven't heard before playing some songs they recognised from tv and film.

Year 2 visited Bristol Zoo project, where they got up close to a variety of different animals. The children loved being so close to them and were shocked to see how tall an actual giraffe was!

Our year 5s visited Pizza Express this week as part of their Design and Technology unit of work, whilst year 6 have had lots of secondary schools come to visit them as part of their transition work.

A reminder that on Monday 24<sup>th</sup> June we have our Eid Celebrations. Remember anyone can attend our celebrations. We want as many of our community present as possible. Food and teddy/toy donations will be collected on the tables by the gates after school on Friday and Monday before school.

Early next week you will all receive information about new classes and teacher and the enhanced transition plan for the rest of the term following parental feedback from last year's plan.

Have a wonderful weekend.

SLT Team

All upcoming events can be accessed in our 'Upcoming Events' section of the website <https://www.redfieldet.org.uk/parents-and-community/upcoming-events/>

*Eid al-Adha*  
CELEBRATIONS

Join us for a festive feast filled with delicious food, games, arts and crafts, henna, faceprint and cherished moments with loved ones

Monday June, 24th  
2024  
2:30-4:30pm

We are looking for donations of:

- Food (for party)
- Teddies/Toys (for tombola)
- Non-perishable food (for food bank)

If you are able to help at the event please email [info@redfieldet.org.uk](mailto:info@redfieldet.org.uk)

# Communications

This term we will be working with Bristol City Council for sustainable travel.

**Year 5 are currently working with the travel team, looking at our local areas and the impact cars are having.**

**Over the next few weeks we will be having:**

**- 24/6/24 - Dr Bike: We have 15 spaces for bikes to see a mobile mechanic for a service.**

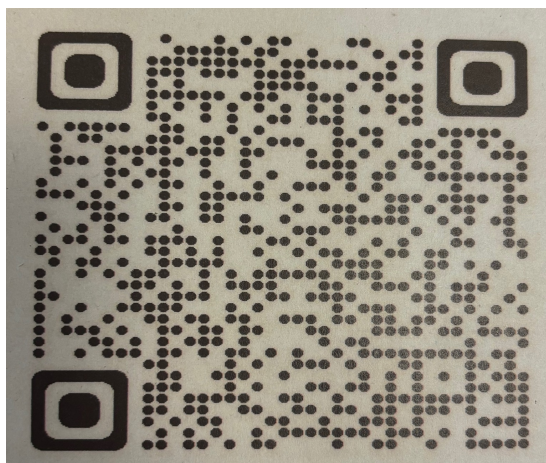

The service is then free to those who attend, including free brake blocks and cables where needed. Each participant is treated to a safety check, and a gear and brake tune up. They are then presented with a form giving a diagnosis of the health of their bike. If a bike needs more work than is possible outside of a workshop environment, we recommend our in-house [servicing and repairs](#). A booking link will be sent closer to the time.

- 27/6/24 – Year 1 Scooter Skills: Children will need to bring in their scooters on this day to take part in skills workshops on how to keep safe on their scooter and basic manoeuvring skills. If you do not have a scooter, we have a number that can be borrowed from school.
- 27/6/24 – Year 6 – Planning Safe Journeys. Children will be working with the travel team on how to ensure their journeys are safe and how to plan safe route.
- 28/6/24– Year 3 and 4 – workshop on the benefits of active travel.
- We are working to get Bikeability skills organised for year 2 but this is most likely going to take place after the summer holidays when they are in year 3.

## School Nurse

Thank you for those parents who were able to attend our visit from the school nurse today. If you would like more information on the school nursing service, use this QR code to access their website you will find advice and guidance on a range of topics, including Mental Health, Diet and Nutrition a free 12-week course on healthy lifestyle choices, a self-referral form and much more'

Our next visit from the nurse will be in Term 1 of next academic year.

# Messages from our Office Team

Go to: [www.redfieldet.org.uk](http://www.redfieldet.org.uk) for more information about our school and to our Class Pages to find out what your child is learning in their class.

*School office hours are 08:00 – 16:00*

Busy times are 08:00-10:00 and 14:00-16:00 therefore we request that if your enquiry is not urgent (safeguarding concern or the dropping off of urgent medicine) then please come and see us after 3.30pm.

Please make sure that we have the correct information for each of your children. You can log into Arbor and check that all information including address, guardian contact details, medical conditions, dietary requirements and consents are up to date. If you find any incorrect information on your child's student profile, please update it with the correct information. If you need help with how to do this, please click here/on this link: [Seeing and updating my child's information on the Parent Portal or Arbor App – Arbor Help Centre](#) (arbor-education.com)

## Parent survey

A reminder to complete this before the end of the academic year. Thank you for those who have completed the form below. Please take the time to complete this as we are wanting to develop our links with our parent/carer community. From our community this year we have had poets, reading volunteers, family to help plan Eid celebrations and swimming volunteers.

We would love to expand this as we move forward into next year. So, if you have any specific skills you would like to share/volunteer your time with or if you would like to offer some time to help read with children. Please fill in the form below by clicking the link or by scanning the QR code below.

<https://forms.office.com/e/yBViDXZKCM>

If you are struggling to access this, please email [info@redfieldet.org.uk](mailto:info@redfieldet.org.uk) FOA: Scott Freeman
