School finishes and staff INSET

1:15pm 19.12.24

INSET 20.12.14

Nativity

16.12.24 2:30pm – 3:00pm

English

Our two core texts this term are **Malala's magic pencil** and **The last stop on market street**.

Year one will be using **Malala's magic pencil** to inspire ideas about how to help others, using encouraging and advisory language and to write a letter.

During the second part of the term, we are going to be writing a diary entry using the text **The last stop on market street to inspire us**. We will look at past and present tenses and sequence events of a story. We will continue to focus on full stops, capital letters, finger spaces, nouns and adjectives. We will learn the purpose of a question mark and when to use it during this term.

Maths

Year 1 will be recapping addition and subtraction and learn about geometry. This includes: To explore part whole models, to identify number sentences using part whole models, to know number bonds to 10 systematically, recognising fact families, adding together, subtracting by crossing out, subtracting on a number line, adding and subtracting 1, addition and subtraction problems, recognising and naming 2D and 3D shapes, sorting shapes and making patterns with 2D and 3D shapes.

History

In history we are looking at significant people and traditional tales.

We will recount episodes from stories about the past, sequence events in chronological order and retell stories through drama.

Rosa Parks

Freestanding structures

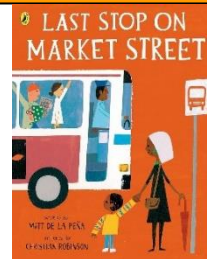

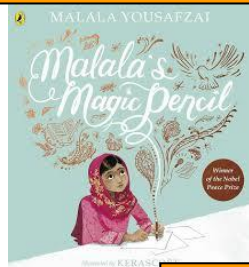

Home Learning

Please read with your child 5x per week.

Here are some useful links

[Topmarks: teaching resources, interactive resources, worksheets, homework, exam and revision help](#)

[Primary resources, homework help and online](#)

PE

Indoor PE: Dance

Outdoor PE: Cooperative learning

PE is every Monday and Friday

Learn Together

Our whole school value this term is 'Compassion' and thinking about other people. We will be weaving this into all our learning throughout the term through high quality discussions.

Zone of Regulation.

We are continuing to embed what the zones of regulations are

Discussing each zone and identifying what strategies we can use to help us.

Computing

Digital Media

E-safety: Self-image and Identity

Science

This term our science focus is 'Seasonal Changes'. We are going to be working scientifically to explore the following: Changes related to other seasons, understand there are 4 seasons in a year, observe changes across the year and make comparisons, observe weather patterns, use my local area to identify seasonal changes and identify the hours of

daylight gradually decreases

Key Vocabulary

autumn daylight night weather season
rainfall weather rain gauge winter rainy
snowy windy cloudy frosty sunny spring
summer
