

## English

We will be writing a journey tale, and a first-hand recount of the fight that occurs in *The Boy at the Back of the Class*.

## Maths

This half term we will be learning about ratio, before moving on to explore algebra, then finally we will study decimal numbers

## Art

We will be studying the work of one of the most important sculptors of the 20<sup>th</sup> Century, Alberto Giacometti, and create our own sculpture inspired by his work.

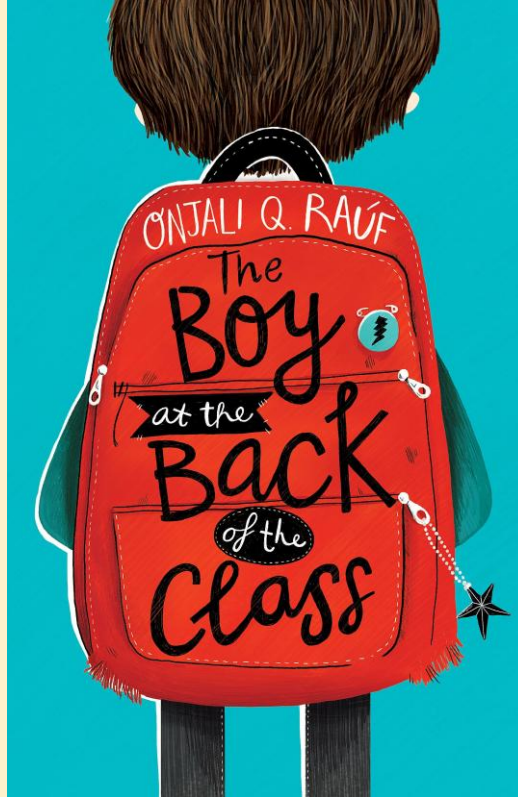

## Computing

We will be learning about programming, what a variable is and building our own project based on an example program.

## PE

In PE this half term we will be enjoying a unit of 'Outdoor and Adventurous' for our outdoor sessions, and our indoor sessions will be dance.

Year 6's topic this term is  
**Courage:**  
Who helps us

## Reading

We will be reading 'The Boy at the Back of the Class' by Onjali Qatara Rauf, and focusing on our retrieval, inference, vocabulary and explanation skills.

## Science

Our next unit is Variation and Adaptation, we will look at how different plants and animals are adapted to their environment.

## Learn Together/PSHE

Our value this term is 'Courage', and we have been discussing the importance of bravery, what it is to feel fear and how to overcome it.

## RE

In RE this half term we will be studying Judaism and exploring how Jews today interpret sacred teachings and stories.

## Spanish

Our Spanish focus this term is on habitats. We will learn the vocabulary of animals and habitats and construct sentences around our theme.
