

### English

We will be writing a fantasy tale based on the short video 'The Alchemist's letter'. We will then go on to write a non-chronological report about Hogwarts school of wizardry.

### Maths

This half term we will be learning about: fractions, decimals and percentages; area, perimeter and volume; and statistics.

### Art

We will be studying the work of a few artists in the surrealism movement, the creative medium of collage and merging the two to create our own fantasy fiction inspired landscapes.

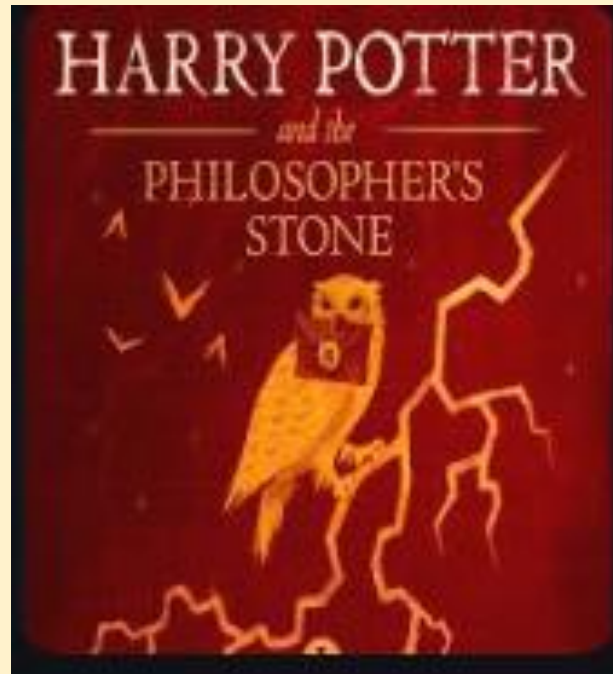

### Computing

We will be learning about spreadsheets, how to store data in them, the application of formulas and presenting data.

### PE

In PE this half term we will be enjoying a unit of Football for our outdoor sessions, and our indoor sessions will be health and fitness (strength, co-ordination, agility and stamina).

## Year 6's topic this term is Curiosity: Magical Mysteries

### Spanish

Our Spanish focus this term is on pets and the use of verbs. We will learn how to conjugate the verb 'to have'.

### Reading

We will be reading 'Harry Potter and the philosopher's stone', and focusing on our retrieval, inference, vocabulary and explanation skills.

### Science

Our next unit is Light and Shadows. We will be exploring how light travels, how shadows are created, refraction and carrying out experiment into how an object's distance from a light source affects the size of a shadow.

### Learn Together/PSHE

Our value this term is 'Curiosity', and we will be exploring our physical and mental health and how to maintain both in our PSHE sessions..

### RE

In RE this half term we will be studying Judaism and exploring how Jews today interpret sacred teachings and stories.
