

## English

We will be writing a non-chronological report about Hogwarts school of wizardry. We will then move on to Holes where we will be writing a diary and persuasive letter.

## Maths

This half term we will be consolidating our knowledge of the four operations, fractions/Decimals and percentages. We will also be covering and Area, perimeter and volume and statistics.

## Art

In Art, we will be focusing on textiles this half term. We will be experimenting with vegetable-based dyes and creating embroidery based on Navajo designs found in sand paintings.

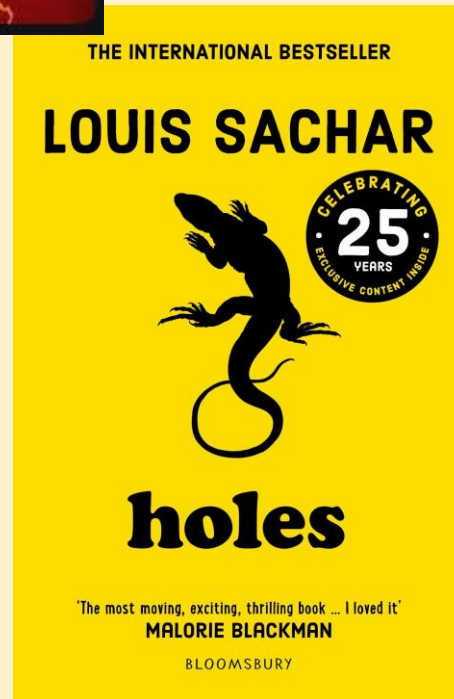

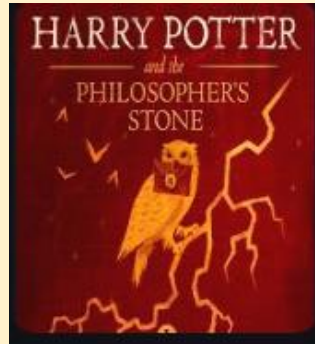

## Computing

We will be learning how to create 3D models using CAD design software, creating a range of different everyday objects.

## PE

In PE this term we will be completing a unit of netball in our outdoor lessons, and for our indoor lessons we will be doing dance.

Year 6's topic this term is  
**Culture: Where can  
we go?**

## Reading

This half term we will be finishing off Harry Potter and starting to read Holes. We will continue to focus on consolidating our inference and retrieval skills.

## Science

In Science this half term, we will be finishing off our Light topic, exploring shadows, the properties of light and refraction. We will also plan and carry out an experiment exploring these themes.

## Learn Together/PSHE

This half term we will be exploring relationships and mental health in our PSHE lessons. We will explore our relationships online and how these can affect our mental health.

## Spanish

We will continue our Spanish learning by completing a unit on clothes. We will learn the vocabulary of clothes, study subject verb agreement and possessive pronouns.

## RE

We will be studying Sanatani beliefs and focussing on the question of "Do beliefs in Karma, Samsara and Moksha help Sanatanis lead good lives?"
