

This term in Year 4 our topic will be 'Celebration – Music and Expression'.

Maths

We will be recapping the four basic operations – addition, subtraction, multiplication and division, as well as looking at shape, time, statistics and money.

Learn Together

This term, our value of the term is 'Celebration' and we will explore this theme through music and expression. Our Learn Together lessons will focus on Relationships and Sex Education.

This will be age appropriate, according to the National Curriculum, and further information will be provided, before the lessons are taught.

Art and D.T.

Our Design and Technology this term will test our knowledge from last term's Science, looking at electrical circuits to create a musical instrument.

Key Information (all Thursdays)

Land Event – 11th July 9:00 a.m.

Trip – 4th July afternoon – we hope to visit the Mosque on St Mark's Road as part of last term's learning on belief systems

Science

We will be investigating sound this term and looking at the process of sound waves being produced, received into the body and transmitted to the brain.

PE

In PE, we look forward to Sports Day practice with athletics. If the weather is good, we will take our indoor P.E. out onto the playground for some tennis.

Spanish

Hola! This term we will link our learning to music and instruments and learn all about a range of instruments in Spanish.

Home Learning

In Year 4 we expect children to:

- Complete 5x reading (20mins) a week
- Times table practise (TT Rockstars)
- Spelling practise (Spelling Shed)

Computing

Our focus skills this term are: tinkering, persevering, debugging, collaborating, algorithms in our photo editing unit

English

Our writing this term will be a poem, based on our core text 'Once Upon a Tune' and an explanation text of how soundwaves are received into the ear.
